**CFPB: Millions of consumers will now have access to credit scores and reports through nonprofit counselors:**

Nonprofit organizations that offer credit counseling, housing counseling, and other financial counseling services buy credit reports and scores for the consumers they serve. These reports and scores help counselors engage in constructive conversations with their clients about steps the clients can take to improve their financial situation. Millions of consumers will now be able to receive the credit scores and credit reports that nonprofit credit counselors purchase on their behalf.
